

William meets HRH The Princess Royal

On the 3rd of November 2010 William Swire received an Asdan Certificate for riding from HRH The Princess Royal at the RDA Conference in Newmarket.

Here is what William had to say about his day in Newmarket.

" I do horse riding and I am doing Asdan in riding, at the moment I am on level 2. My day at Newmarket was really nice. I met Princess Anne for the first time. I completed my first level so it was nice to see her in Newmarket. The reason I got this certificate was because I am doing really well and did a lot of work towards my certificate. Princess Anne is the President of Riding for the Disabled".
