THE TUESDAY CLUB MARATHON

On the evening of the 1st of April the Members of the Tuesday Club, with friends and supporters, completed a full marathon down Brentwood High Street to raise funds for the rebuilding of Sawyers Church. We ran, jogged, walked and wheeled for over half a mile so that together we completed over 26 miles.

Yes it was great fun but, it was a great achievement. So much so that the Mayor of Brentwood was at Sawyers Church to present certificates of merit to each of those that took part. Photographers were there to record the event; both as it took place, at the finishing tape and for the presentation of the certificates. We even had two police officers to escort us and ensure that the road crossings were manned.

Congratulations to all of our Members! We raised over £1,335 to show how much we appreciate all that Sawyers Church has done to make the Tuesday Club a wonderful success and to make us feel a part of what is being done to complete the rebuilding of Sawyers Church.

If you have any news that you would like us to feature on this page, please feel free to email us at...
