

THE QUEEN'S DIAMOND JUBILEE CELEBRATION

An Indoor Street Party, presented by Frontline, marked the beginning of the Jubilee celebrations for 70 people, aged 2 to 92, at Sawyers Church on 30th May.

Guests enjoyed a delicious picnic-style meal prepared by the Crown Café team, beautiful piano music with a touch of nostalgia (thank you Hazell!), a brilliantly entertaining children's choir (thank you Hollytrees Primary School!), a 'guess the royal babies' quiz (well done to the middle table!), and various stalls including a selection of interesting memorabilia (thank you Judy).

The abundance of red, white and blue in the bunting, flags and table decorations (thank you Café Art!) set the scene. And the pictures tell the story!!!

Mayors Charity of the Year

Frontline is delighted to share this good news! We feel privileged to have been chosen as one of the Brentwood Mayor's Charities of the Year. Our congratulations go to Ann Coe on being appointed to this prestigious role in Brentwood. Our congratulations also go to her other chosen charities- Crossroads for Carers and the mid-Essex branch of the Alzheimer's Society.

Tuesday Club Trip to Wembley - 2nd June 2012 - England v Belgium

A Chauffer's View

We set off in convoy with 2 other cars and made our way to the match. Keith (Mr Funny Man) Mathers, Malcolm (Mr Smooth) Burton and Lady Joanne had a great time in the car as we journeyed eating chocolate raisins and sucking sweets. On arrival we caught up with David, Brian, Jackie, John Brown, William, Russell & Jeremy, found our way to our seats, battling against the smell of burgers and chips and the crowds, the noise inside the stadium was deafening, especially when England scored the only goal of the game. The journey home was a picnic on the motorway with crisps, cakes, grapes and chocolate. Everybody had a great time.

John Newman (Chauffer)

EUROPEAN FUNDING for FRONTLINE BULGARIA!

We are delighted to tell you that our application for funding from the EU Leonardo programme for our new project '**New Frontiers in Occupational Therapy**' was successful! Our project partners are Ruse University and Friendship Church and the funding will enable us to offer 6-month placements for four UK Occupational Therapists during the next two years, to work with children and young people with disabilities, their families and care-providers. We hope to sign the contract very soon and send the first OT to Ruse, Bulgaria by September 2012
