

## Paralympic Games Special

A co-ordinated effort to apply for the Paralympics gave 18 of us the chance to feel the thrill of going to the Olympic Park. This was truly a 'once-in-a-lifetime' experience that none of us will forget.

Here are some of the things people had to say about their Paralympic experience .....

Superb!

Would like to do it again!

I will definitely remember the 2012 Paralympics for a long time to come.

It was perfect! Everything was done to an excellent standard; the volunteers, the Olympic Park and the athletes.

What an amazing day!

Going to Rio next!

### Summer Schools 2012

The Cookery Summer School during the holiday was based around the 2012 Olympic Theme. We had great fun making mini doughnuts and decorating them with icing, coloured to match each of the Olympic rings — red, blue, yellow, green and for the black ring we used chocolate, yum!

After decorating all five rings we had our own medal ceremony and everyone was awarded a gold winner medal and given a commemorative photo to take home as a souvenir of the day.
