Dear friends & everyone at Sawyers Church

As you are aware I have been having a lot of health problems recently and am still having problems. Because of this I need to go into hospital to have a procedure that I hope will relieve my ongoing pain and problems.

Hopefully everything will be ok and I am being positive.

All my love & kind regards

Helen Sargeant

Bridge the Gap

Hi
This year Jo and I at Frontline started a new project called Bridge the Gap. It's a small group of like minded people aged between 20 and 30 that wish to adventure out into the big wide world of socialising. We have been to some great places and try to do things that every one will enjoy. One of our best nights out this summer was when we went to play tennis then on to pizza hut. It was not an expensive night out but we had so much fun. We have also spent the evening at the golf range and I can tell you one bucket of golf balls is enough, you can't hit them all because you can't stop laughing.

We hope to continue with Bridge the Gap next year and have many more adventures around Essex. If you would like some more information about what we do and where we go (that bits really up to you guys) please contact Donna or Jo on 01277 233889.
